K&N Filters to Sponsor So Cal Super Eliminator Series for 2007

K&N Performance has returned as the sponsor for the 2007 Super Eliminator series, with contingency and bonus awards support from Clay Smith Engineering, JE Pistons, Salt Creek Grille Restaurants, Mike's Transmission, Starfighter Motorsports, Continental Torque Converters, and Edelbrock.

We'd like to welcome a few new supporters to the Southern California Super Eliminator Association; Paul Smith's PJ Trailer for his sponsorship of our finals and Salt Creek Grille who is sponsoring our "Trash the Champ" program for the 2007 season. Salt Creek Grille is offering a \$100 gift certificate for fine dining at one of their three local restaurants to the racer who defeats in eliminations the previous event winner. The first target for 2007 will be our reigning champ, Andy Spiegel. Continental converters is offering \$50 to the race winner and \$25 to the runner-up towards a rework, update or new Continental converter. As always, you must run their product and their decal on both sides of the car to be eligible.

Make sure you have all your contingency decals on the car, or you won't receive the contingency payout for that product. Returning as a contingency sponsor for 2007, Edelbrock is offering double the contingency payouts from last year to winners and runner-up finishers who use their Intake, Heads or Qwikdata data acquisition computer, with an award of \$200 and \$100 respectively. You must be using the product claimed and have proper decals to collect your bonus monies.

Special thanks to our returning Race Sponsors who have already committed to support SCSEA for 2007: Parcorp, Team C Performance Center, Symons Fire Protection, and Charles Johnson Roofing.

We do need 3 more race event sponsors for the 2007 season, so racers, let's start looking under all those rocks for sponsor leads. I think we offer an excellent program with a family-friendly atmosphere. Let Tom, Shane or Rick know if you have any leads or use the contact form on the website.

LARRY WINTER TRIBUTE

It's still in the planning stages, but there will be a special Larry Winter Tribute race and picnic on May 19-20th at Fontana. With a little help from our friends at K&N Performance, we will run qualifying on Saturday followed by a barbecue honoring our special guest Larry, who most of you know is still fighting his way back from his accident several years ago. Eliminations are planned for Sunday; check the web site for updates.

RACE ENTRY FEE INCREASE TO \$125

SCSEA has been forced to raise the entry fee from \$110 to \$125 for the 2007 season due to increasing costs and loss of some sponsor dollars. \$10 from each entry goes to our race director, and the remaining \$115 goes to the association to cover race paybacks and end-of-year paybacks.

2006 SUPER E BANQUET

Saturday, November 18th, 2006, Torrance CA-

The 2006 Edelbrock/K&N Filters Super Eliminator Series Awards Banquet was held at Vic's Garage, home to Vic Edelbrock Jr.'s personal collection of race cars, street machines and memorabilia from the earliest days of hot rodding up to today's modern performance machines. For the second year in a row, we shared the banquet with the Mike's Transmission Top Comp Association, with our Master of Ceremonies, Bruce Swartz doing the announcing and presentations along with tons of raffle prizes and a 50/50 drawing. Over 100 racers, family and friends attended the event. The evening culminated with the crowning of our 2006 Southern California Super Eliminator Series Champion, Andy Spiegel. Congratulations to Andy, and all our Top Ten competitors: Mark Engle, Ryan Tietz, Kenny Upton, Mike Solina, Team Dufur-Dessinger, Pat Jones, Team Chris Diyco, Geneva Nash, and Rich "Dog" Swatman.
